Dear all,
As the end of the academic year approaches, we want to thank you for the work achieved in the last months. As we look forward to the coming academic year, we anticipate another period of dynamic and multifaceted challenges. The landscape of sustainability research is ever-evolving, presenting us with new opportunities to innovate, collaborate, and make a difference.
In light of our ongoing commitment to advancing sustainability, we are excited to announce the launch of ***the new procedure to leverage joint research activities 2024 .*** *You'll find more detail below on these activities permitted within WP3.*
Due to the summer break, there will be no edition of the Newsletter in August. We'll see you again in September.
We wish you a nice & green summer !
Best regards,
WP3 Team
